A Parmelee Taxicab between New York and Jersey City Station

85c

Part of the 42nd Street business district in New York. You can travel between any point on Manhattan, 110th Street and south, or any point in the Brooklyn business district and Jersey City Station by Parmelee Taxicab for 85c.

At a charge of 85c per capita (children 45c) you can enjoy the luxury of a private Parmelee System Taxicab in traveling between Erie Terminal, Jersey City, and any place in Manhattan, 110th Street and south, and any place in the Brooklyn business district.

This service is available to all who travel between Greater New York and Erie points, Middletown and west.

If you are traveling to New York you can buy the Train-Cab coupon with your rail ticket at the ticket office or from the conductor on any through train and you will find your taxicab awaiting the arrival of your train at Jersey City.

Traveling from New York you can buy the Train-Cab coupon with your rail ticket. The ticket agent will gladly arrange to have a taxicab sent for you at your home, hotel or office, or if preferred you yourself may phone for a Parmelee System Taxicab or hail one on the street. It is not necessary, however, to buy your Train-Cab ticket before you call your taxicab. You may, if you choose, purchase it at Jersey City Terminal on arrival there.

Outside of the prescribed zones regular metered service is charged for.

Strangers in New York, especially women with children, will appreciate this service.

Ticket agents or the conductor on any through train will furnish all particulars.

MAKE YOUR PLANS NOW TO VISIT CHICAGO'S 1933 WORLD'S FAIR

When the curtain rises on June 1, on A Century of Progress International Exposition, it will be on one of the greatest dramas ever staged by man.

The setting for this Spectacle of the Ages is Chicago's magnificent lake front, a few hundred yards from the downtown business section. Scores of vast exhibition buildings have already risen on this site and an army of workmen are speeding all the other preparations.

Here life, color, light, recreation, eye-catching exhibits and attractions of every description will instruct, dazzle and delight the visitors.

Science, industry, agriculture, art and architecture will combine to show for 150 days how far our civilization has progressed in the past century through the triumph of man over natural forces.

Plan your vacation trip so that Chicago and the World's Fair will be your 1933 goal. Special low round-trip fares are being offered.

Your nearest Erie representative will have details regarding fares and trains to this great Exposition.
