IS ANOTHER
REAL REASON
WHY YOU SHOULD

GO ERIE FARES REDUCED

Few have ever disputed the fact that train travel is the easiest, safest, most comfortable mode of transportation. Now it is also very inexpensive.

And when snow and bad weather interfere with the operation of other types of carriers you will find "business as usual" with the railroads.

TRAVEL-

as you like it

When you travel by rail you can do the things you *like* to do . . . work—eat—sleep—read—move around . . . almost with the same freedom that you have at home.

Air-conditioned coaches, dining cars, Pullmans and club cars make rail travel clean, quiet and comfortable. They give you new luxury at no extra cost.

Modern rail travel gives you speed with safety and dependability. Whatever the weather or the route or the season, security and friendly service will attend you.

The next time you have a trip to make—and want to make it in the pleasantest way possible—travel by train and see for yourself.

VISIT GREAT BRITAIN

EASILY AND ECONOMICALLY

☐ England and Scotland have all the ingredients of a perfect trip. History—wondrous cathedrals such as York, Canterbury and Wells—ancient abbeys and castles—the brightest jewels of Europe's treasure chest. Scenery—from the Scottish Highlands and the English Lake District to the Sussex Downs—a picturebook countryside alive with legend and loveliness. Gaiety—shops, theatres, musicales, night clubs, with everything for an "American" good time. Thousand-year-old Oxford and Cambridge are like dreams come true. Wales is a rare land of glorious mountain scenery and unimaginable charm. And all the old dollar values exist in the British Isles, where they speak your own language!
