Picture-window Panorama... *on the Scenic Route of the East*

Call it just plain luck, if you will, that when the Erie Railroad was laid down over a hundred years ago its route was projected through some of the finest scenery in the Eastern United States.

The picturesque scene above, along the Canisteo river east of Hornell, N. Y., is typical of the scenic spots along the Erie the traveler enjoys. The railroad at its eastern end follows the picturesque hills and the magnificent valleys of the Delaware, Susquehanna, Canisteo, and Allegheny

rivers for miles and miles. Those who appreciate scenery know that these valleys are among the finest and most lovely in the East.

Be sure to plan your schedule so that you will cover this part of the country during the daytime. You will find it a most rewarding experience... and it costs nothing extra. Convenient daily schedules between Chicago, Akron, Cleveland, Youngstown, Meadville, Jamestown, Corning, Elmira, Binghamton, and New York.

Reading of Tables

On all tables, the schedule of each individual train is shown in a separate column. Each train has an operating number which appears at the top of the schedule column.

Train times from 12:01 a.m. (Midnight) to 12:00 Noon inclusive, are printed in light-faced figures; 12:01 p.m. (Noon) to 12:00 Midnight are printed in **dark-face** throughout the timetable.

Trains make regular stops only at stations where time figures appear in column opposite the station name. Symbols are opposite some schedule figures. They are important. They indicate exceptions and should be checked carefully with the explanation under Reference Notes at the bottom of each page.

On main line Table 4, where a station name is indented, that station is located on a Branch Line or connecting service.

The equipment of principal trains is shown on pages 9, 10, 23 and 24. Coach equipment is carried on all trains.

Any Erie Ticket Agent or representative will be glad to assist you with information and reservations.

A **STOP-OVER** within final limit will be granted on tickets sold at regular fares at all stations on the Erie Railroad (with certain exceptions in the New York suburban area).

WHEN ARTICLES ARE LOST on trains or left in waiting rooms, owners should apply at once to Agent at station where they leave train or address Manager, Baggage Traffic, Erie Railroad, Chambers St. Terminal, New York 7, N. Y., giving full description of property, stating date of loss and train number.

150 pounds of baggage may be checked on adult tickets and 75 pounds on half fare tickets subject to tariff stipulations as to con-

tents, weight, value and size. A service charge of 25c will be collected for each piece of hand baggage and 50c for each trunk.

Personal baggage is wearing apparel, toilet articles (except liquid) and personal effects in actual use and necessary and appropriate for the wear, use, comfort and convenience of the passenger for the purpose of the journey and not intended for other persons or for sale. Articles which may not be included in personal baggage are shown in published tariff which is on file at stations.

Baggage to be checked should be delivered at stations reasonably in advance of train departure. The railroad cannot guarantee to forward baggage on same train with passenger and when necessary will be forwarded on other trains. To facilitate prompt receipt of baggage at destination, passengers are urged to arrange for forwarding on a preceding train.

A charge is made for storage of baggage at destination when it is not claimed within full time limit.

BAGGAGE WILL NOT BE REMOVED FROM TRAINS AT STATIONS WHEN AGENT IS NOT ON DUTY TO RECEIVE IT.

ALL BAGGAGE CHECKED IN BAGGAGE CAR TO OR FROM NEW YORK CITY will be sent to Chambers Street Station.

BAGGAGE may be checked through to house address, hotel, steamship dock, etc., at destination. Reliable transfer companies perform this service at nominal charges at all principal cities.

HAND BAGGAGE in coaches or Pullman cars is restricted to what can be conveniently placed in accommodations purchased by passenger. It is urged that passengers carry with them only such baggage as required for their immediate needs. Other baggage may be checked in baggage car at a nominal charge.

RED CAP PORTER SERVICE is available at principal stations at a charge of 15c, except at Cleveland Union Terminal where charge is 25c, for each bag or parcel. Carriers' liability is limited to not more than \$50.00 for each bag or parcel unless greater value declared in writing on form provided for that purpose. Declaration form available at baggage room.
