RESERVATIONS ON ERIE TRAINS From Ships at Sea by RADIOGRAM

Arrangements have been made with the Radio Corporation of America, by which passengers on incoming Trans-Atlantic ships may now make their Pullman reservations on all Erie Trains by radio. Reservations may be made from the Port of New York to any point in the United States. A special code for this purpose is on file at the Radio Office on all R. C. A. equipped ships.

—Telegraph Ahead for Reservations

It gives one a delightful feeling of security to know that upon reaching his destination, the clerk at the hotel will greet him with: "Yessir. Got your telegram. Room all ready!"

If you have not already telegraphed for reservations, you can do so while traveling. Ask the porter for blanks, give him your message and he will have it sent from the next station.

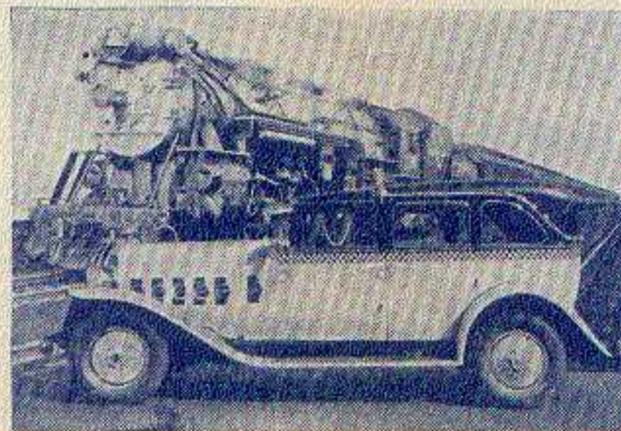

Erie Train-Cab Service at New York has now rounded out a year of operation. Thousands have used and praised it. Heretofore a flat charge of 85c per person has been made. Now the fare for two persons has been reduced to \$1.25 and for three or more to \$1.50. Very substantial savings.

Briefly, Train-Cab Service is the carrying of passengers from their door in New York or Brooklyn to our trains (and vice versa).

Strangers arriving at Erie Terminal, Jersey City, are taken directly to their destination. They never get "lost" and are never overcharged. The same is true of westbound passengers. Women accompanied by children appreciate the service. Even seasoned travellers enjoy the comfort of settling down in their own taxicab and forgetting about bags and car changes.

The fares shown above apply between our terminal and any place on Manhattan, 110th Street and south, also between the terminal and any point in the Brooklyn business district.
