# 5 tons a month for every pilot!

**WITHOUT** counting the tremendous tonnage of gasoline, ammunition, bombs, and food consumed by our airmen, there are 5 tons of supplies shipped abroad every month for each pilot overseas!

What *does* this 5 tons include? Aircraft replacement parts, pilot's clothing, flying instruments, parachutes, maintenance supplies, radio and signal apparatus . . . items from a total of 500,000 service parts and equipment which may be destroyed or damaged.

So figure it out. It adds up to a tremendous tonnage! And the needs of the Air Forces are only a

small part of the wartime transportation job of your railroads.

Thanks to the splendid cooperation of the public, shippers, and government agencies, these vital war supplies will continue to flow in increasing quantities until Victory is won.

## GENERAL INFORMATION

**STANDARD OF TIME**—Erie Lines east of and including Ohio City, Ohio, are shown in Eastern War Time. Lines west of Ohio City, Ohio, in Central War Time. 12:01 Midnight to 12:00 Noon is indicated by light-faced type. 12:01 Noon to 12:00 Midnight is indicated by heavy-faced type. (Certain towns in Ohio are operating on Central War Time, which is one hour earlier than time shown in this folder.)

**THIS COMPANY IS NOT RESPONSIBLE FOR ERRORS** in timetables, inconvenience or damage resulting from delayed trains, or failure to make connections; schedules and equipment shown herein are subject to change without notice.

**HOLIDAYS**—The term "Holidays" (unless covered by special note under schedule) refers to the observance of New Year's Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day (November 7), Thanksgiving Day and Christmas Day.

**TRAINS WILL NOT BE HELD** at Jersey City for ferries from New York between the hours of 5:00 P. M. and 6:30 P. M.

**FARES PAID ON TRAIN**—Conductors are required to charge ten (10) cents in excess of the one-way ticket fare for passengers traveling in coaches in the territory east of Port Jervis, including side lines and branches. Buy tickets before boarding trains and avoid payment of this extra fare.

**CHILDREN** under five years of age are carried free when accompanied by parent or guardian; five years of age and under twelve, half fare; twelve years of age and over, full fare.

**ADJUSTMENT OF FARES**—Should any misunderstanding arise with conductors or agents, pay the fare required, take receipt and communicate with Passenger Traffic Manager, Midland Bldg., Cleveland, Ohio.

**REDEMPTION OF TICKETS**—Tickets unused or partly used will be redeemed under tariff regulations at proper value.

**LOST TICKETS**—Proper care should be taken to guard against the loss of tickets, as Railroads are not responsible for lost tickets or baggage checks.

**STOP-OVERS AT NIAGARA FALLS**—Passengers holding tickets reading "via Erie Railroad" from Elmira, N. Y., and stations east thereof to or through Youngstown, Ohio, and stations west thereof, or vice versa, may exercise the privilege of going via Buffalo and making side-trip to Niagara Falls. On request, Erie Ticket Agent at Buffalo will issue without charge a round-trip ticket between Buffalo and Niagara Falls—Frequent service via motor coach direct from Buffalo Terminal.

**STOP-OVERS AT OTHER POINTS**—A stop-over within final limit will be granted on tickets sold at regular fares at all stations on the Erie Railroad (with certain exceptions in the New York suburban area).

**ARTICLES LOST ON TRAINS**—When articles are lost on trains or left in waiting rooms or stations, owners should apply at once to Agent at station where they leave train or address Manager, Baggage Traffic, Foot of Chambers St., New York City, giving full description of property, stating date of loss and train number.

**BAGGAGE**—150 pounds of baggage are checked free on adult tickets and 75 pounds on half fare tickets. Free allowance subject to tariff stipulations as to contents, weight, value and size.

Baggage to be checked should be delivered at stations reasonably in advance of train departure. The railroad cannot guarantee to forward baggage on same train with passenger and when necessary will be forwarded on other trains. To facilitate prompt receipt of baggage at destination, passengers are urged to arrange for forwarding on a preceding train.

A charge is made for storage of baggage at destination when it is not claimed within the free time limit.

**BAGGAGE DELIVERY IN NEW YORK CITY**—All baggage checked to New York City will be sent to Chambers Street Station.

**BAGGAGE INSURANCE** by the St. Paul Fire and Marine Insurance Co. may be purchased at principal Erie Ticket Offices. It insures your baggage and personal effects for your entire trip anywhere in the world. Minimum premium twenty-five cents. Ask Ticket Agent for full particulars.

**BAGGAGE DELIVERY SERVICE**—Baggage may be checked through to house address, hotel, steamship dock, etc., at destination, thus avoiding necessity for any further attention. Reliable transfer companies perform the service at nominal charges. This delivery arrangement is in effect at all principal cities.

**HAND BAGGAGE** in coaches or Pullman cars is restricted to what can be conveniently placed in berth, seat, or other accommodations purchased by passenger. It is urged that passengers carry with them only such baggage as required for their immediate needs and avail themselves of the free baggage service for other baggage required on reaching destination.

**SAFETY FIRST HINTS**—Carefulness on your part helps eliminate accidents. Don't get on or off a train in motion; wait for a full stop. Keep hand baggage out of car aisles; this will remove a cause of inconvenience, possibly of harm, to others. Walk carefully when entering or leaving train; high-heeled shoes are sometimes a cause of tripping or stumbling on car steps. Don't stand or walk close to the railroad track; look both ways before starting across. Courtesy toward your fellow travelers increases the pleasure of your journey.

## HOW YOU CAN HELP

*"Speed Up"*

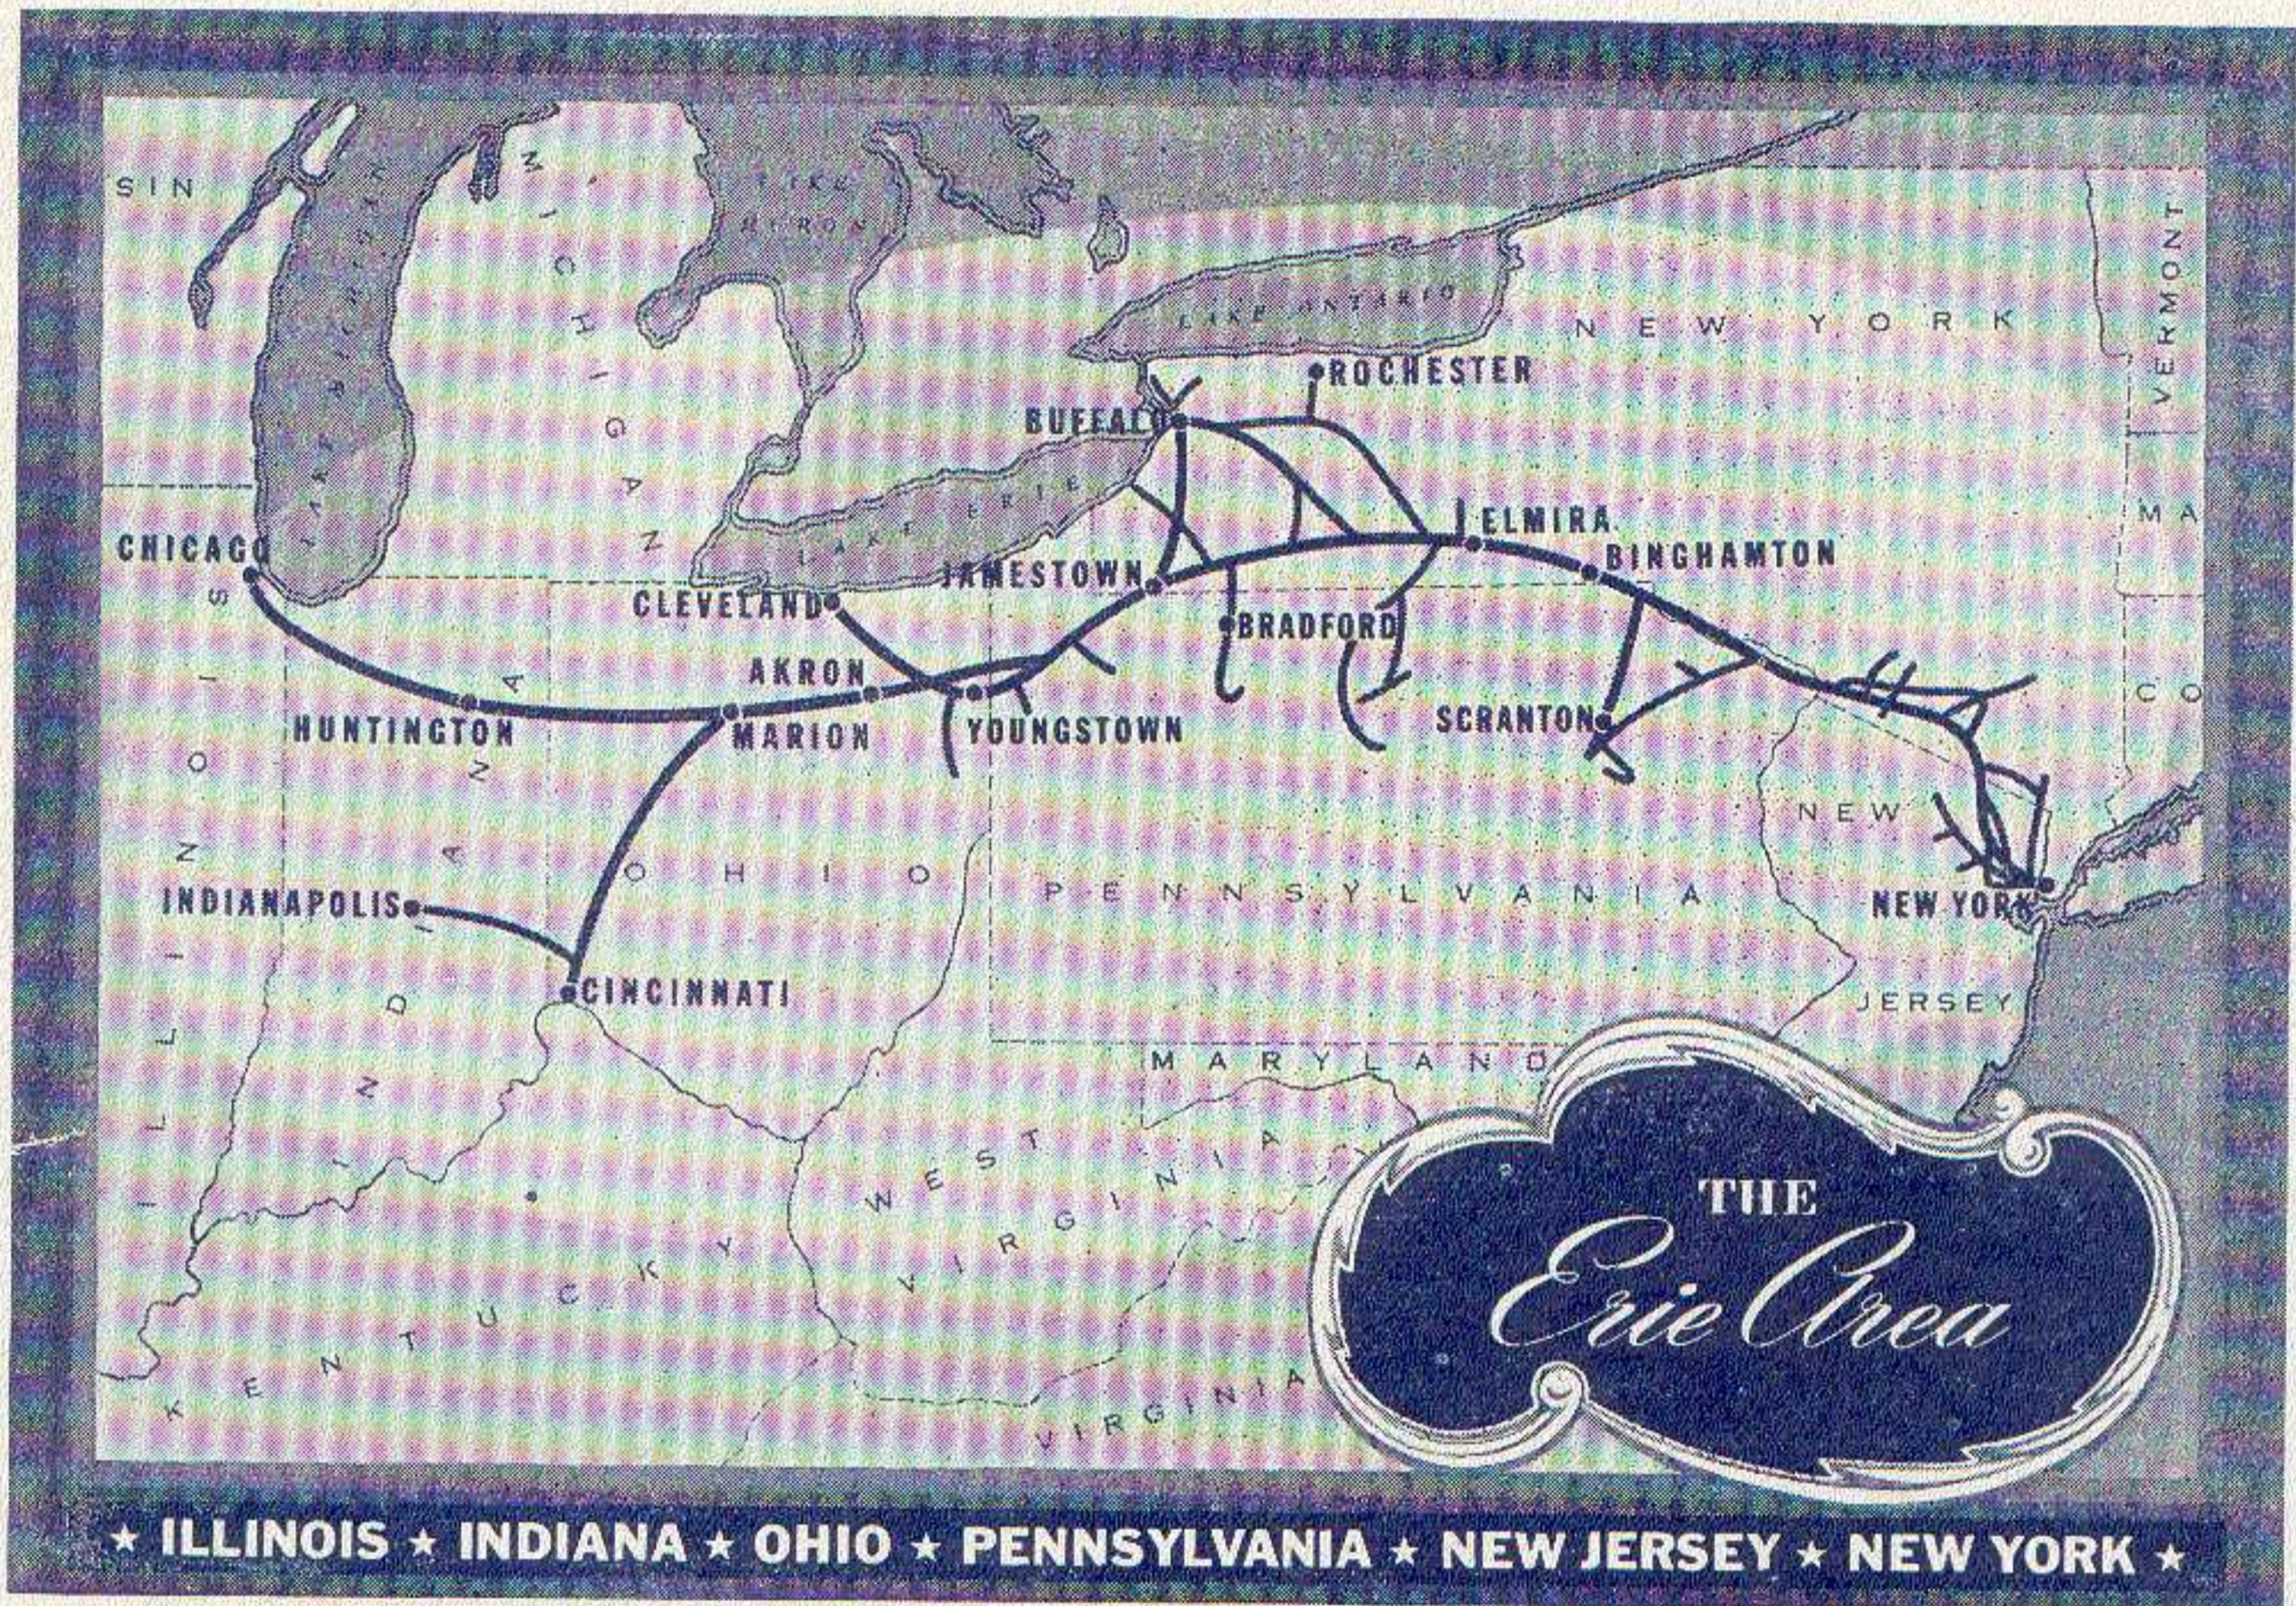

## WARTIME TRAVEL

**IT IS** the first duty of all railroads today to get war equipment, soldiers, sailors, and marines delivered where they are needed. This tremendous job sometimes overtaxes our facilities for giving good service to our patrons.

You can help us "speed up" our wartime service and save yourself inconvenience by doing these things —

- planning your trip during mid-week
- traveling by day instead of by night
- accepting available space instead of waiting for preferred accommodations
- canceling reservations immediately if for any reason your travel plans change
- taking only necessary luggage

## THE INDUSTRIAL HEART OF AMERICA

**C**ONCENTRATED in the six states directly served by the Erie Railroad is the "Industrial Heart of America".

Mines, streams, and forests in this rich, fertile region furnish an endless supply of raw materials — coal, steel, petroleum, lumber, sand, lime, and a score of other products.

From fields come abundant crops of soya beans, wheat, corn, oats, fruits, vegetables, and a great variety of other agricultural products.

With all these natural resources, industry finds it

more advantageous to be located in "The Erie Area". For everything, from raw materials to ideal manufacturing conditions, is available here, and it is near the greatest American markets for finished products.

The Erie Railroad serves well this great industrial heart. In war as in peace the Erie provides fast, safe, dependable transportation in bringing raw materials to industry and finished products to markets.

Get the facts about "The Erie Area". A copy of our new map of this region and specific information will be furnished without obligation.

*When a Railroad carries a Railroad*  
**THAT'S NEWS!**

**A**ND that's exactly what's happening today on the Erie and other American Railroads. Locomotives, freight cars, and essential replacement parts are made here at home for use in the invasion areas. Loaded in sections, or actually carried in tow, they travel by *rail* to embarkation points. Placed in operation overseas, they form a *final link* in the chain of supply which begins in factories and farms here in America.

By the end of this year, 4,000 locomotives and 60,000 freight cars produced in this country will be in active service overseas. And these are only a small part of the tremendous war transporta-

tion load now being carried by your railroads.

But we're getting the job done, and with the help of the public, shippers, and government agencies, the Erie and other American Railroads will continue to carry the load for Victory.
