Lower Manhattan and the business section of Brooklyn showing (unshaded) the zones in which the 85c train-cab charge applies. When passengers travel beyond these zones the ride outside the zones is metered and regular charges apply for that portion of the trip.

A Parmelee Taxicab between New York and Jersey City Station

85c

At a charge of 85c per capita (children 45c) you can enjoy the luxury of a private Parmelee System Taxicab in traveling between Erie Terminal, Jersey City, and any place in Manhattan, 110th Street and south, and any place in the Brooklyn business district.

This service is available to all who travel between Greater New York and Erie points, Middletown and west.

If you are traveling to New York you can buy the Train-Cab coupon with your rail ticket at the ticket office or from the conductor on any through train and you will find your taxicab awaiting the arrival of your train at Jersey City.

Traveling from New York you can buy the Train-Cab coupon with your rail ticket. The ticket agent will gladly arrange to have a taxicab sent for you at your home, hotel or office, or if preferred you yourself may phone for a Parmelee System Taxicab or hail one on the street. It is not necessary, however, to buy your Train-Cab ticket before you call your taxicab. You may, if you choose, purchase it at Jersey City Terminal on arrival there.

Outside of the prescribed zones regular metered service is charged for.

Strangers in New York, especially women and children, will appreciate this new service.

Ticket agents or the conductor on any through train will furnish all particulars.
