"WASHINGTONIAN" IS STILL NEWS

Cleveland-Washington Day Train Increases in Popularity as Defense Speeds Up

As we write this, the "Washingtonian" has been in operation for five months. It runs daily in both directions, in daylight, between Cleveland and Washington and Baltimore. The Capitol hums with national affairs. Cleveland and Baltimore hum with national defense. The "Washingtonian" hums between the three. Leave Cleveland 8:20 A. M., arrive Washington 7:10 P. M., Baltimore 8:17 P. M. Leave Baltimore 8:55 A. M., Washington 10:10 A. M., arrive Cleveland 9:15 P. M. See page 7 for all fares and page 17 for all schedules.

The equipment of these trains consists of De Luxe Coaches, Pullman, Parlor and Dining Cars of the finest type. The trip is one of great scenic beauty, interspersed with glimpses of industrial activity. You see the majestic Allegheny and Blue Ridge Mountains—the historic Cumberland Valley—the scenic beauties of Harper's Ferry. Inviting spectacles that make your ride a glorious sightseeing journey every mile of the way!

TRAIN-TAXI PLAN ATTRACTS MANY

Erie passengers now have this service available in: CHICAGO, AKRON, CLEVELAND, YOUNGSTOWN, and BUFFALO.

In each of these cities, except Chicago, the taxicab company will furnish a cab and driver from 9:00 A.M. to 3:00 P.M. for \$5.00. In Chicago, any continuous four hours for \$5.00. Ask ticket agents.

THE ERIE TERMINAL IN MIDTOWN NEW YORK

The Erie Railroad offers direct motor coach service to and from a terminal in midtown Manhattan (in addition to existing ferry terminals), connecting with certain trains at Rutherford, N. J.

The new Erie terminal is in the Times Square Area at 260 West 42nd Street, between 7th and 8th Avenues.

The charge for the motor coach service is 50¢ each way for adults and 25¢ for children of half-fare age in addition to rail fare from or to New York or Rutherford.

Ordinary hand baggage is carried on motor coach with passenger and is transferred between motor coach and train free.

Consult time tables for schedules.

PIONEERS FOR 100 YEARS

In 1842 a shipment of milk from Orange County to New York was made on the Erie. This was the first milk ever shipped on any railroad. In 1843, four million quarts were shipped and the Erie was hailed as having revolutionized the milk business.

The first rails ever made in America were laid on the Erie (1847) between Otisville and Port Jervis. They were made by the Scranton Bros. at Slocum Hollow (now Scranton), Pa.

Welles & Co. began the express transportation business over the Erie (1849).

When the Erie was opened from the Hudson to Lake Erie no other railroad had succeeded in crossing the Appalachian range (1851). It was then the longest railroad in America.

TRAVEL ON THE INSTALLMENT PLAN

Thousands now use this way to go. Pay later. No money down. Repayment is in easy, monthly installments. Can be used on any trip or tour costing fifty dollars or more. Ask any ticket agent for full particulars.

DE LUXE COACHES ARE DELIGHTFUL

New High in Coach Comfort

Ever since railroad passenger coaches were first used the rail lines have striven to improve them. Gradually they have been developed from simple wooden seated vehicles to beautifully upholstered air-conditioned cars that reflect the individuality, as it were, of the road on which they ride.

The latest effort of the Erie in this connection has resulted in the De Luxe Coaches. These cars are, we believe, among the most comfortable of vehicles.

The seats of the main salon are of the individual reclining and rotating type. They swing in pairs to any desired direction and recline individually to the position most comfortable for the occupant. There is wide knee-room between the seats.

Separated from the main salon by a glass partition is the men's smoking room with spacious "bucket" type seats.

The women's room has a full length couch and individual, movable chairs.

The color scheme throughout the car is restful and in most excellent taste. The already spacious car has its roominess accented by long lines in the decorations. Walls, ceilings, upholstery and carpets blend and contrast gracefully.

Little travel niceties like dimmed lights at night, real individual drinking cups, plenty of clean towels, etc., make these cars really superb.

MEALS ON THE ERIE

We Believe You Will Like Them

One of the services that distinguish rail travel over all other forms of land or air transport is meals in a real restaurant, at a real table.

There is something about this interlude that carries out the air of unhuddled, unhurried graciousness for which train travel is famed.

On the Erie you can enjoy this pause amid most attractive surroundings at prices that should appeal to you.

People do talk about the meals they have on dining cars. We think you will find nice things to say about ours.

Keep 'em Rolling to Keep 'em Flying

● Many months ago all 22,000 of us on the Erie tightened up our belts and declared all-out for national defense. We ordered thousands of new cars, stepped up the modernization program which had long been under way.

Today, we are moving huge quantities of parts, machinery, and supplies to "keep 'em flying" as the new army slogan says. We are ever at the service of the military, of the government—and you, too, whether you ship airplane parts, fountain pens, or peanuts. Erie delivers the goods.

You can help to keep 'em rolling for defense by giving advance notice of car requirements, by loading and unloading promptly, by loading to the load limit, and many other ways that may speed shipments.

Let's all keep 'em rolling to keep 'em flying.

HAND-BAGGAGE in Pullman Cars is restricted to what can be conveniently placed in the berth, seat or other accommodations purchased by the passenger.

CHICAGO PASSENGER AND BAGGAGE TRANSFER is performed by the Parmelee Company. A uniformed agent meets all incoming trains of the Erie Railroad on arrival at Dearborn Station.

ARTICLES LOST ON TRAINS or left in waiting rooms or stations, owners should apply to Lost and Found Bureau, (Baggage Room) Jersey City Depot, or address General Passenger Agent, Midland Bldg., Cleveland, Ohio, giving full description of the property, stating date of loss and number of train.

SAFETY FIRST HINTS—Carefulness on your part helps eliminate accidents. Don't get on or off a train in motion; wait for a full stop. Keep hand baggage out of car aisles; this will remove a cause of inconvenience, possibly of harm, to others. Walk carefully when entering or leaving train; high-heeled shoes are sometimes a cause of tripping or stumbling on car steps. Don't stand or walk close to the railroad track; look both ways before starting across. Courtesy toward your fellow travelers increases the pleasure of your journey.

POSTAGE STAMPS may be purchased from dining car attendants.

Daylight Saving Time will be observed in Chicago until October 26.
