## Reading of Tables

On all tables, the schedule of each individual train is shown in a separate column. Each train has an operating number which appears at the top of the schedule column.

Train times from 12:01 a.m. (Midnight) to 12:00 Noon inclusive, are printed in light-faced figures; 12:01 p.m. (Noon) to 12:00 Midnight are printed in dark-face throughout the timetable.

Trains make regular stops only at stations where time figures appear in column opposite the station name. Symbols are opposite some schedule figures. They are important. They indicate exceptions and should be checked carefully with the explanation under Reference Notes at the bottom of each page.

When trains are shown as Stopping Conditionally at a Station, passengers should advise Station Agent, in advance, of their intention to board train or notify Conductor of intention to leave train, as case may be.

On main line Table 4, where a station name is indented, that station is located on a Branch Line or connecting service.

The equipment of principal trains is shown on pages 9, 10, 23 and 24. Coach equipment is carried on all trains.

Any Erie Ticket Agent or representative will be glad to assist you with information and reservations.

Y., giving full description of property, stating date of loss and train number.

150 pounds of baggage may be checked on adult tickets and 75

pounds on half fare tickets subject to tariff stipulations as to contents, weight, value and size. A service charge of 25c will be collected for each piece of hand baggage and 50c for each trunk.

Articles which may not be included in personal baggage are shown in published tariff which is on file at stations.

Baggage to be checked should be delivered at stations reasonably in advance of train departure. The railroad cannot guarantee to forward baggage on same train with passenger and when necessary will be forwarded on other trains. To facilitate prompt receipt of baggage at destination, passengers are urged to arrange for forwarding on a preceding train.

A charge is made for storage of baggage at destination when it is not claimed within full time limit.

**HAND BAGGAGE** in coaches or Pullman cars is restricted to what can be conveniently placed in accommodations purchased by passenger. It is urged that passengers carry with them only such baggage as required for their immediate needs. Other baggage may be checked in baggage car at a nominal charge.

**RED CAP PORTER SERVICE** is available at principal stations at a charge of 15c, except at Cleveland Union Terminal where charge is 25c, for each bag or parcel.
