"It was a great ride" has a deserved place in the happy greetings Erie passengers extend to home folks at journey's end. It's their "thank you" for the many comforts of "travel by Erie." It's the proof of a satisfying ride—expressed in a greeting.

East-West passengers enjoy a better ride at less cost. They like Erie service, Erie comfort, Erie dependability. They thrill to every smooth-going mile over the most scenic route east of the Rockies.

## **ERIE Can Move It!**

● Here's a complete refinery on wheels—rolling to its permanent home via Erie. Tons of equipment 8 stories tall—and so bulky that many railroads could not handle it.

These extra big loads can be moved safely, speedily, because of Erie's higher, wider clearances. Special equipment all along the line also assures faster handling of unusual freight. That's why shippers call Erie "The Heavy Duty Railroad". Why they trust Erie with their biggest loads.

But Erie's more than a heavy duty road. It's a railroad that offers faster, safer, more economical delivery—whatever or wherever you ship. Get the proof! Call the local Erie agent on your next shipment.
