Fitted to your needs for safer, more efficient transportation

ERIE PRODUCT-DESIGNED EQUIPMENT

An important **customer service** of your local Erie representative is working with you to analyze your transportation requirements. And if your products can be handled more economically, or shipped more safely, using special equipment such as that shown here, he'll be the first to recommend it.

In fact, the wide variety of special Erie cars includes a number that were designed and developed through the teamwork of Erie men and their customers.

Fitting your shipping needs with more efficient, specially-designed equipment is another example of the kind of complete **customer service** you can count on when you "Route it Erie". To see **customer service** in action, call your Erie representative the next time you ship to or from the important industrial area served by the Erie.
