

. . . Mark of **PROGRESS** in Railroading

Progress poses for its picture

This line-up of four of Erie's diesel fleet gives you an idea of what has happened to a busy railroad whose key word is *progress*.

All Erie's freight and passenger trains between New York and Chicago are hauled completely by diesel power. Travelers benefit by the use of smooth diesel power. Shippers enjoy better on-time performance and improved service. All

this helps in the production and distribution of what you eat, wear and use.

Add it all up and you see why Erie's heavy investment in modern equipment benefits everybody. Here is progressive railroading in action—Erie's constant effort to provide the best in safe, dependable transportation. When you ship or travel you will find real help from your nearest Erie representative!
