

Ready to KEEP 'EM ROLLING

• Years ago, the Erie Railroad embarked on a vast program of expansion and modernization. Now we are ready—men and equipment—to “keep 'em rolling” for victory.

Feeding the production lines of America's Industries—carrying away their output in ever-increasing quantities...the road that service built is serving America as never before in its 110-year history. We're at *your* service, too!

For transportation information, see the Erie man.
