

*Would you believe it...*

## HE'S LOADING A FREIGHT CAR

**S**OLVING LOADING PROBLEMS on the drawing board is one of the ways Erie helps shippers plan safe transportation for their products.

On particularly difficult loads, Erie experts design packing, blocking and bracing methods to solve the problem.

The Erie has analyzed hundreds of loading problems... made suggestions which have prevented damage... saved time and money for shippers.

This and other Erie services to assure safe, dependable freight transportation are available to you through any Erie Representative.
