

Time is Clipped when
Foods are Shipped
via **ERIE** ★ ★ ★ ★

On the fastest schedules to New York and New England markets, Erie trains speed daily, carrying more Western fruits and vegetables to these distributing points than any other railroad—for the shipper and receiver count their profits in miles per hour.

Whether it's beans or barley, melons or meats, Erie knows what *fast freight* means, and delivers it on time! Let Erie speed your freight and cut your shipping costs.
