**The six states of the Erie Area account
for 43.5% of all expenditures for new
plants and equipment in the United States***

THE six key states of the Erie Area contain everything needed for the growth and success of almost any kind of business. Here are abundant electric power, agricultural products, a high concentration of skilled and unskilled workers, and a market doing 40% of the nation's buying! With all these things you will also have

the advantage of the dependable Erie Railroad, connecting with other railroads and terminating in the east at famous New York Harbor for export shipping.

The experienced Erie Railroad plant location staff will be glad to advise you on Erie Area locations. Erie will help you develop the facts you need. Write now!

HERE'S HOW TO GET ACTION!

Send a list of your requirements and preferred location to Mr. A. B. Johnson, Vice President, Room 507, Midland Building, Cleveland 15, Ohio. All information will be held in the strictest confidence.
