Rule No. 4.

NUMBERS INCLUSIVE

Where consecutive numbers are represented herein by the first and last numbers connected by the word "to" they will be understood to include both numbers.

Rule No. 5.

PREPAY REQUIREMENTS, CHANGES IN STATION NAMES

This tariff is governed by Official List of Open and Prepay Stations No. 63, A.P. Leland's I.C.C. No. A-28, Pa. P.U.C. No. A-28, as to additions and abandonment of stations, and except as otherwise shown herein, as to prepay requirements, changes in names of stations, restrictions as to non-acceptance or non-delivery of freight and changes in station facilities.

(Departure from the terms of Rule 10(1) of Tariff Circular No. 20 is authorized under permission of the Interstate Commerce Commission No. 19140 dated December 9, 1943, as amended).

Rule No. 6.

REFERENCE TO OTHER TARIFFS

Where reference is made herein to any other publication, it includes "supplements thereto or successive issues thereof".

Rule No. 7.

ALTERNATE APPLICATION OF ROUTES

VIA

THE CHESAPEAKE AND OHIO RAILWAY COMPANY

THE NEW YORK CENTRAL RAILROAD COMPANY

(a) In order to permit operating efficiency and economy and to expedite the movement of traffic, the routing of which is governed by this tariff or by tariffs referred to herein, The Chesapeake and Ohio Railway Company and The New York Central Railroad Company reserve the right to move traffic over any or all of their several Districts (as named in A.P. Leland's Official List of Open and Prepay Stations No. 63, I.C.C. No. A-28, P.S.C.-N.Y. No. A-28, Pa. P.U.C. No. A-28, C.T.C. No. A-28, for that portion of the route applying via one or more of such Districts.

(b) When traffic is so handled the rate to apply will be that specified in the tariff applicable via the route originally designated.

(c) It should be understood that the provisions of paragraphs (a) and (b) above do not deprive the shipper or owner of the property of any right or privilege to which he may have been entitled via the route originally designated.

Rule No. 8

DIRECT ROUTING IN CANADA

Except as may be otherwise specifically provided, or unless shipments are otherwise handled as a matter of railway convenience, rates published herein applying -

(a) to stations or ports on the Canadian National Railways, or

(b) via the Canadian National Railways to stations on connecting lines beyond are, while traffic is on the tracks of the Canadian National Railways, applicable only over the shortest available distance of the Canadian National Railways as provided in Official Distance Table, C.N.-E Tariff No. D-25, C.T.C. No. E-1780.

For explanation of Abbreviations, see page 62.
